

Creativity is imagining what you could do because you were made in God's image.

Read Psalm 104:24

DAY
1

Re-Create Creation

God created the world. Below is a breakdown of what God created each day as we see in Genesis. Read the list below and choose one that you can recreate with some craft supplies that you have handy.

Day 1: Night and Day

Day 2: Sky and Sea

Day 3: Land and Plants

Day 4: Sun, Moon and Stars

Day 5: Flying and Sea Creatures

Day 6: Land Animals and Man

Know that God has created the world around you.

DAY
2

He Created All

God has created so many amazing things. He created all of the birds, bugs, fish and so much more! Open your Bible to **Psalm 104:24** and read the verse aloud with an adult. After reading, talk about your favorite God-made creations. If you have internet access, check out the animal. Fennec Fox; they are so cute!

Look at God's creations all around you.

DAY
3

Creator Prayer

God is so creative. Let's talk to Him and thank Him for His creativity. Pray something similar to this.

"Dear Creator God, Thank You so much for creating everything in this world. From the littlest insects to the biggest animals. You thought about and created them all. And You created them all with a purpose. Just like me. I pray that I can continue to learn about all that You have created. Amen."

Thank God for all the things that He has created—especially you.

DAY
4

It's All So Perfect

Do you know that everything in creation has a special purpose? It's true! For example, God created a rose to give off a special "rosy" smell just in order to attract insects to fertilize them and make more roses! That's right, He made a flower smell good just so it could help create more roses!

How did God create you so special? Is it your cool hair or the way you talk? Talk to a friend or family member and tell them about what God did to make you so special!

Ask God to allow you to notice all the special things He has created.

There's no limit to God's creativity.
