

Creativity is imagining what you could do because you were made in God's image.

Read 1 Corinthians 12:12

DAY
1

Work Together

Gather a few friends or family members and work towards the goal of building the biggest tower ever! You can use blocks, boxes, whatever stacks works. BUT the twist is you each need to put a hand behind your back before you start! Work together to build a tower with only one hand available! Can you do it? Go!

Know that when you work together, big things can happen.

DAY
2

The Whole Body

Gather some craft supplies that you can use to draw. On your paper draw a picture of a body. A stick figure would work great! After you have drawn your body, grab a Bible and open up to **1 Corinthians 12:12**. Read it aloud and then take some time and write this week's verse somewhere on the page! Hang this somewhere you can read your verse daily!

Look for ways that you can work together to tell everyone about Jesus.

God created you to work with others.

DAY
3

Spread the Good Word!

We can do more together than anyone can do by themselves. To practice this, play the game telephone.

Here's how to play: Gather some friends and all sit together in a circle or line close enough to be able to whisper to each other. The first person will whisper a phrase about Jesus into the ear of the person next on their right. The players will keep whispering the phrase to their neighbors until it reaches the last person in line. The last person will shout out the phrase and hopefully it will be similar to how it started.

If you need some help, here are a few examples:

Jesus loves you. You are creative!

Jesus loves when we work together.

Ask God to give you chances to talk to others about Him.

DAY
4

Work Together to Pray

Gather some more friends or family members and pray together! Thank God for creating you. Thank God for being so creative. Thank God for sending Jesus. Thank God for giving you a mind to think and a mouth to speak about Him!

Thank God for creating others to pray with you.

GOD CREATED YOU TO WORK
WITH OTHERS.
